 Surgical Practice (SP) • Pratique chirurgicale (PC)

Subjects • Sujets

- A -

Abdomen

Alterations in respiratory mechanics after laparoscopic and open surgical procedures (Kimberley and others) (OA) 312

Abdominal abscess

Colonic carcinoma presenting as an appendiceal abscess in a young woman (Ramsay and others) (CR) 53

Laparoscopic versus open appendectomy: a prospective randomized trial of 81 patients (Hart and others) (OA) 457

Abdominal hernia See Hernia, ventral

Abdominal injuries

Case 10. Presentation; Diagnosis (Garant) (RS) 267; 286

Delayed rupture of the spleen and streptokinase therapy (Nam and others) (CR) 151

Post-traumatic small-bowel stricture: a case report (Law and others) (CR) 57

Validity of visual inspection of diagnostic peritoneal lavage fluid (Gow and others) (OA) 114

Abdominal muscles

Chemotherapy for desmoid tumours in association with familial adenomatous polyposis: a report of three cases (Hamilton and others) (CR) 247

Abdominal wall See Abdominal muscles

Absenteeism

Comparison between open and arthroscopic acromioplasties: evaluation of absenteeism (Kinnard and others) (OA) 21

Accidents, occupational

Chemical burns (Cartotto and others) (OA) 205

Accidents, traffic

Acetabular fractures and seat belts (Waddell) (QS) 266

Acetabular fractures before and after the introduction of seatbelt legislation (Al-Qahtani and O'Connor) (OA) 317

Lateral tibial plateau fractures (Cameron) (C) 339

Post-traumatic small-bowel stricture: a case report (Law and others) (CR) 57

Acetabulum

Acetabular fractures and seat belts (Waddell) (QS) 266

Acetabular fractures before and after the introduction of seatbelt legislation (Al-Qahtani and O'Connor) (OA) 317

Acquired immunodeficiency syndrome

Borrowed Time. A Surgeon's Struggle with Transfusion-Induced AIDS. Orville J. Messenger and Dorothy R. Messenger (Stone) (BR) 170

Acromion

Comparison between open and arthroscopic acromioplasties: evaluation of absenteeism (Kinnard and others) (OA) 21

Open versus arthroscopic acromioplasty (O'Driscoll) (C) 254 [reply] (Kinnard) (C) 254

Acromioplasty See Acromion

Adenocarcinoma

Adenocarcinoma of the head of the pancreas (MacFarlane) (QS) 265

1995 Roussel Lecture. Management of adenocarcinoma of the head of the pancreas: 10 questions for the 1990s (Taylor) (SOSS) 271

Adenomatous polyposis coli

Chemotherapy for desmoid tumours in association with familial adenomatous polyposis: a report of three cases (Hamilton and others) (CR) 247

Advertising

Check your circulation (Keith) (EV) 262

Vérifiez votre tirage (Keith) (MR) 262

Age factors

Aging exaggerates the blood glucose response to total parenteral nutrition (Watters and others) (OA) 481

Brain tumour surgery in the elderly: a brief reappraisal (Bernstein) (CR) 147

The impact and consequences of hip fracture in Ontario (Jaglal and others) (OA) 105

The influence of age on the severity of peritonitis (Watters and others) (OA) 142

Surgery in the elderly patient: a time for reappraisal (Caron) (QS) 94

Aged

Brain tumour surgery in the elderly: a brief reappraisal (Bernstein) (CR) 147

Role of endoscopic sphincterotomy alone in patients with choledocholithiasis and cholelithiasis (Himal) (OA) 225

Surgery in the elderly patient: a time for reappraisal (Caron) (QS) 94

AIDS See Acquired immunodeficiency syndrome

Allergy See Hypersensitivity

Ambulatory surgery

Canadian Association of General Surgeons' position statement on ambulatory care (Pollett) (QS) 183

Énoncé de principe de l'Association canadienne des chirurgiens généraux sur les soins ambulatoires (Pollett) (PS) 184

Establishment and cost analysis of an office surgical suite (Way and Culham) (OA) 379

Amputation

Lower extremity free flaps: a review (Wells and others) (OA) 233

Analgesia

Laparoscopic inguinal herniorrhaphy: appraisal of a cohort study (Dion) (OA) 229

Anaphylaxis

Latex anaphylaxis in a myasthenic child undergoing thymectomy (Beaulieu and others) (CR) 490

Anastomosis, surgical

Experimental laparoscopic aortobifemoral bypass for occlusive aortoiliac disease (Dion and others) (CSVS) 451

Recurrent superior mesenteric artery (Wilkie's) syndrome: a case report (Raissi and others) (CR) 410

Anatomy

Atlas of Surgical Techniques. Steven G. Economou and Tasia S. Economou (Taylor) (BR) 436

The efficacy of a computer-assisted preoperative tutorial for clinical clerks (Hong and others) (OA) 221

Anemia, iron-deficiency

Blue rubber bleb nevus syndrome (Carr and others) (CR) 59

Anesthesia

Latex anaphylaxis in a myasthenic child undergoing thymectomy (Beaulieu and others) (CR) 490

Anesthesia, local

Effect of pH modification by bicarbonate on pain after subcutaneous lidocaine injection (Parham and Pasieka) (OA) 31

Aneurysm

- Case 12. Presentation; Diagnosis (Tran and others) (RS) 450; 486
- Hemobilia complicating elective laparoscopic cholecystectomy: a case report (Yelle and others) (CR) 240

Aneurysm, infected

- Infected internal iliac artery aneurysm: a case report (Hassan and others) (CR) 67

Aneurysm, ruptured

- Infected internal iliac artery aneurysm: a case report (Hassan and others) (CR) 67

Angiography

- Duplex scanning in renal and mesenteric artery occlusive disease (Graham) (QS) 5
- Follow-up of renal and mesenteric artery revascularization with duplex ultrasonography (Taylor and others) (CSVS) 17

Anti-arrhythmia agents

- Magnesium in cardioplegia: Is it necessary? (Shakerinia and others) (OA) 397

Antidotes

- Chemical burns (Cartotto and others) (OA) 205

Antiestrogens See Estrogen antagonists

Anti-inflammatory agents, nonsteroidal

- Chemotherapy for desmoid tumours in association with familial adenomatous polyposis: a report of three cases (Hamilton and others) (CR) 247
- Indomethacin and ketorolac given preoperatively are equally effective in reducing early postoperative pain after laparoscopic cholecystectomy (Forse and others) (OA) 26

Aorta

- Experimental laparoscopic aortobifemoral bypass for occlusive aortoiliac disease (Dion and others) (CSVS) 451

Aorta, abdominal

- Conservative management of chylous ascites complicating aortic surgery: a case report (Petrasek and Ameli) (CR) 499

Aorta, thoracic

- Dysphagia lusoria: extrathoracic surgical management (Taylor and others) (CR) 48

Aortic aneurysm, thoracic

- Left hilar mass with obstruction of the main bronchus due to localized pseudoaneurysm of the thoracic aorta (Lukanich and Conlan) (CR) 63

Appendix

- Case 7. Presentation; Diagnosis (Garant and Stein) (RS) 10; 35
- Colonic carcinoma presenting as an appendiceal abscess in a young woman (Ramsay and others) (CR) 53
- The influence of age on the severity of peritonitis (Watters and others) (OA) 142
- Laparoscopic appendectomy (Thomas) (C) 168
- Laparoscopic versus open appendectomy: a prospective randomized trial of 81 patients (Hart and others) (OA) 457

Areola See Nipples

Arterial occlusive diseases

- Combined endarterectomy of the internal carotid artery and persistent hypoglossal artery: an unusual case of carotid revascularization (Cartier and others) (CR) 159
- Duplex scanning in renal and mesenteric artery occlusive disease (Graham) (QS) 5
- Experimental laparoscopic aortobifemoral bypass for occlusive aortoiliac disease (Dion and others) (CSVS) 451
- Follow-up of renal and mesenteric artery revascularization with duplex ultrasonography (Taylor and others) (CSVS) 17

Arteries

- Combined endarterectomy of the internal carotid artery and persistent hypoglossal artery: an unusual case of carotid revascularization (Cartier and others) (CR) 159

Arthroplasty, replacement, hip See Hip prosthesis

Arthroscopy

- Comparison between open and arthroscopic acromioplasties: evaluation of absenteeism (Kinnard and others) (OA) 21
- Open versus arthroscopic acromioplasty (O'Driscoll) (C) 254
- [reply] (Kinnard) (C) 254
- Operative Arthroscopy*. 2nd edition. Editor-in-Chief: John B. McGinty. Section Editors: Richard B. Caspari, Robert W. Jackson and Gary G. Pochling (Ogilvie-Harris) (BR) 342

Ascites, chylous See Chyloperitoneum

Association canadienne d'orthopédie See Canadian Orthopaedic Association

Athletic injuries

- Traumatic rupture of hydatid cysts (Leviav and Weissberg) (OA) 293

- B -

Bethune, Norman

- Dr. Norman Bethune as a surgeon (Rosen) (HS) 72

Bile duct obstruction See Cholestasis

Biliary tract

- Biliary-tract diagnosis by magnetic resonance imaging (Bilbey and Schmidt) (SI) 268
- Endoscopic management of biliary hydatid disease (Akkiz and others) (OA) 287

Biopsy

- Combined fine-needle aspiration, physical examination and mammography in the diagnosis of palpable breast masses: their relation to outcome for women with primary breast cancer (Steinberg and others) (OA) 302
- Relation between clinical and mammographic diagnosis of breast problems and the cancer/biopsy rate (Sterns) (OA) 128

Biopsy, needle

- Combined fine-needle aspiration, physical examination and mammography in the diagnosis of palpable breast masses: their relation to outcome for women with primary breast cancer (Steinberg and others) (OA) 302
- Relation between clinical and mammographic diagnosis of breast problems and the cancer/biopsy rate (Sterns) (OA) 128

Blood glucose

- Aging exaggerates the blood glucose response to total parenteral nutrition (Watters and others) (OA) 481

Blood transfusion

- Management of splenic injuries in a Canadian trauma centre (Garber and others) (OA) 474

Blue rubber bleb nevus See Nevus, blue

Blunt injuries See Wounds, nonpenetrating

Body composition

- Effect of nutritional support on routine nutrition assessment parameters and body composition in intensive care unit patients (Phang and Aeberhardt) (OA) 212

Bone cements

- The cementless anatomic medullary locking femoral component: an independent clinical and radiographic assessment (Chess and others) (OA) 389

Brachial plexus

- Thoracic outlet syndrome: Fact or fancy? A review of 409 consecutive patients who underwent operation (Jamieson and Chinnick) (OA) 321

Brain neoplasms

- Brain tumour surgery in the elderly: a brief reappraisal (Bernstein) (CR) 147

Breast

- Atlas of Techniques in Breast Surgery*. William Silen, W. Earle Matory, Jr. and Susan M. Love (McCready) (BR) 515
- Breast infarction in a patient with chronic renal failure: a case report (Janigan and others) (CR) 507
- Relation between clinical and mammographic diagnosis of breast problems and the cancer/biopsy rate (Sterns) (OA) 128

Breast neoplasms

- Atlas of Techniques in Breast Surgery*. William Silen, W. Earle Matory, Jr. and Susan M. Love (McCready) (BR) 515
- Bilateral primary breast lymphoma in pregnancy: a case report and literature review (Kirkpatrick and others) (CR) 333
- Cancer of the Breast*. 4th edition. Edited by William L. Donegan and John S. Spratt (McCready) (BR) 170
- Combined fine-needle aspiration, physical examination and mammography in the diagnosis of palpable breast masses: their relation to outcome for women with primary breast cancer (Steinberg and others) (OA) 302
- Relation between clinical and mammographic diagnosis of breast problems and the cancer/biopsy rate (Sterns) (OA) 128
- Retroareolar leiomyoma (Way) (C) 339

Bronchi

- Left hilar mass with obstruction of the main bronchus due to localized pseudoaneurysm of the thoracic aorta (Lukanich and Conlan) (CR) 63

Burns

- Total Burn Care*. Edited by D.N. Herndon (Tredget) (BR) 434

Burns, chemical

- Chemical burns (Cartotto and others) (OA) 205

C-peptide See **Peptides**

CAGS See **Canadian Association of General Surgeons**

Canadian Association of General Surgeons

Abstracts—Royal College Meeting 1996 A12

Canadian Association of General Surgeons' position statement on ambulatory care (Pollett) (QS) 183

Énoncé de principe de l'Association canadienne des chirurgiens généraux sur les soins ambulatoires (Pollett) (PS) 184

Presidential address, 1995. Surgery 2000: a look back to the future (Heughan) (CAGS) 188

Canadian Society of Cardiovascular and Thoracic Surgeons

Abstracts—Royal College Meeting 1996 A3

Canadian Society of Colorectal Surgeons

Abstracts—Royal College Meeting 1996 A9

Cancer See **Neoplasms**

Carcinoma, hepatocellular

Cryosurgery for malignant tumours of the liver (McKinnon and others) (OA) 401

To freeze or not to freeze (Lapointe) (QS) 353

Carcinoma, papillary

Concurrent papillary and squamous carcinoma in a thyroglossal duct cyst: a case report (Kwan and others) (CR) 328

Surgical management of thyroglossal duct carcinoma: Is an aggressive approach justified? (Wexler) (QS) 263

Carcinoma, squamous cell

Concurrent papillary and squamous carcinoma in a thyroglossal duct cyst: a case report (Kwan and others) (CR) 328

Papillary and squamous carcinoma of thyroglossal duct cyst (Liu and others) (C) 340

Surgical management of thyroglossal duct carcinoma: Is an aggressive approach justified? (Wexler) (QS) 263

Cardioplegia See **Heart arrest, induced**

Cardioplegic solutions

Magnesium in cardioplegia: Is it necessary? (Shakerinia and others) (OA) 397

Cardiopulmonary resuscitation

Gastric rupture complicating inadvertent intubation of the esophagus (Schvadrion and others) (CR) 487

Cardiovascular abnormalities

Combined endarterectomy of the internal carotid artery and persistent hypoglossal artery: an unusual case of carotid revascularization (Cartier and others) (CR) 159

Dysphagia lusoria: extrathoracic surgical management (Taylor and others) (CR) 48

Carotid artery, internal

Combined endarterectomy of the internal carotid artery and persistent hypoglossal artery: an unusual case of carotid revascularization (Cartier and others) (CR) 159

Carotid stenosis

Combined endarterectomy of the internal carotid artery and persistent hypoglossal artery: an unusual case of carotid revascularization (Cartier and others) (CR) 159

Cecum

Case 8. Presentation; Diagnosis (Stein) (RS) 98; 120

Celiac artery

Duplex scanning in renal and mesenteric artery occlusive disease (Graham) (QS) 5

Follow-up of renal and mesenteric artery revascularization with duplex ultrasonography (Taylor and others) (CSVS) 17

Cervical rib syndrome

Thoracic outlet syndrome: Fact or fancy? A review of 409 consecutive patients who underwent operation (Jamieson and Chinnick) (OA) 321

Chemotherapy See **Drug therapy**

Chest tubes

Role of the trauma-room chest x-ray film in assessing the patient with severe blunt traumatic injury (McLellan and others) (OA) 36

Child

Latex anaphylaxis in a myasthenic child undergoing thymectomy (Beaulieu and others) (CR) 490

Splenorenal arterial bypass in a child with Takayasu's disease: a case report (Noy and others) (CR) 243

Chiropractic

Alternative management for post-thoracotomy pain syndrome (Minor) (C) 430

Cholangiocarcinoma

An animal model of benign bile-duct stricture, sclerosing cholangitis and cholangiocarcinoma and the role of epidermal growth factor receptor in ductal proliferation (Cheifetz and others) (MMP) 193

Cholangitis

Role of endoscopic sphincterotomy alone in patients with choledocholithiasis and cholelithiasis (Himal) (OA) 225

Cholangitis, sclerosing

An animal model of benign bile-duct stricture, sclerosing cholangitis and cholangiocarcinoma and the role of epidermal growth factor receptor in ductal proliferation (Cheifetz and others) (MMP) 193

Cholecystectomy

Alterations in respiratory mechanics after laparoscopic and open surgical procedures (Kimberley and others) (OA) 312

Role of endoscopic sphincterotomy alone in patients with choledocholithiasis and cholelithiasis (Himal) (OA) 225

Cholecystectomy, laparoscopic

Alterations in respiratory mechanics after laparoscopic and open surgical procedures (Kimberley and others) (OA) 312

Hemobilia complicating elective laparoscopic cholecystectomy: a case report (Yelle and others) (CR) 240

Indomethacin and ketorolac given preoperatively are equally effective in reducing early postoperative pain after laparoscopic cholecystectomy (Forse and others) (OA) 26

Cholecystitis

Role of endoscopic sphincterotomy alone in patients with choledocholithiasis and cholelithiasis (Himal) (OA) 225

Choledochojunostomy See **Choledochostomy**

Choledocholithiasis See **Common bile duct calculi**

Choledochostomy

1995 Roussel Lecture. Management of adenocarcinoma of the head of the pancreas: 10 questions for the 1990s (Taylor) (SOSS) 271

Cholelithiasis

Role of endoscopic sphincterotomy alone in patients with choledocholithiasis and cholelithiasis (Himal) (OA) 225

Cholestasis

Adenocarcinoma of the head of the pancreas (MacFarlane) (QS) 265

An animal model of benign bile-duct stricture, sclerosing cholangitis and cholangiocarcinoma and the role of epidermal growth factor receptor in ductal proliferation (Cheifetz and others) (MMP) 193

Endoscopic management of biliary hydatid disease (Akkiz and others) (OA) 287

Chondromatosis, synovial

Synovial chondromatosis of the metacarpophalangeal joint: case report and review of the literature (Reed and Wright) (CR) 407

Chyloperitoneum

Conservative management of chylous ascites complicating aortic surgery: a case report (Petrasek and Ameli) (CR) 499

Cicatrix

Penetrating trauma secondary to heterotopic ossification in a laparotomy scar: a case report (Namias and Sleeman) (CR) 504

CJS See **Canadian Journal of Surgery**

Clinical clerkship

The efficacy of a computer-assisted preoperative tutorial for clinical clerks (Hong and others) (OA) 221

Collège royal des médecins et chirurgiens du Canada See **Royal College of Physicians and Surgeons of Canada**

Colonic neoplasms

Colonic carcinoma presenting as an appendiceal abscess in a young woman (Ramsay and others) (CR) 53

Colorectal neoplasms

To freeze or not to freeze (Lapointe) (QS) 353

Common bile duct

An animal model of benign bile-duct stricture, sclerosing cholangitis and cholangiocarcinoma and the role of epidermal growth factor receptor in ductal proliferation (Cheifetz and others) (MMP) 193

Hemobilia complicating elective laparoscopic cholecystectomy: a case report (Yelle and others) (CR) 240

Common bile duct calculi

Role of endoscopic sphincterotomy alone in patients with choledocholithiasis and cholelithiasis (Himal) (OA) 225

Computed tomography See Tomography, computed

Computer-assisted instruction

The efficacy of a computer-assisted preoperative tutorial for clinical clerks (Hong and others) (OA) 221

Coronary artery bypass

Magnesium in cardioplegia: Is it necessary? (Shakerinia and others) (OA) 397

Minimally invasive cardiac surgery for removal of the greater saphenous vein (Cusimano and others) (OA) 386

Opening the pleura during internal mammary artery harvesting: advantages and disadvantages (Ali and others) (OA) 42

Cost-benefit analysis

Establishment and cost analysis of an office surgical suite (Way and Culham) (OA) 379

Interpretation by radiologists of orthopedic total joint radiographs: Is it necessary or cost-effective? (Nayak and others) (OA) 393

Reuse of disposable laparoscopic instruments: cost analysis (DesCôteaux and others) (OA) 133

Cost savings

Devolution of hip and knee replacement surgery? (Coyte and others) (OA) 373 (Waddell) (QS) 354

Establishment and cost analysis of an office surgical suite (Way and Culham) (OA) 379

Reuse of disposable laparoscopic instruments: cost analysis (DesCôteaux and others) (OA) 133

Critical care

Effect of nutritional support on routine nutrition assessment parameters and body composition in intensive care unit patients (Phang and Aeberhardt) (OA) 212

The response of critically ill patients to nutritional support (Watters) (QS) 181

Surgical Critical Care. John A. Weigelt and Frank R. Lewis, Jr (McRitchie) (BR) 436

Cryosurgery

Cryosurgery for malignant tumours of the liver (McKinnon and others) (OA) 401

To freeze or not to freeze (Lapointe) (QS) 353

Curriculum

The efficacy of a computer-assisted preoperative tutorial for clinical clerks (Hong and others) (OA) 221

- D -

Death rate See Mortality

Débridement

Sternotomy infections: sternal salvage and the importance of sternal stability (Bray and others) (OA) 297

Decompression, gastrointestinal See Surgery, digestive system

Deglutition disorders

Dysphagia lusoria: extrathoracic surgical management (Taylor and others) (CR) 48

Delivery of health care

Establishment and cost analysis of an office surgical suite (Way and Culham) (OA) 379

Presidential address, 1995. Surgery 2000: a look back to the future (Heughan) (CAGS) 188

Dermatology

Roenigk & Roenigk's Dermatologic Surgery: Principles and Practice. 2nd edition. Edited by Randall K. Roenigk and Henry H. Roenigk, Jr (Peters) (BR) 433

Desmoid tumours See Neoplasms, fibrous tissue

Diagnosis, differential

An animal model of benign bile-duct stricture, sclerosing cholangitis and cholangiocarcinoma and the role of epidermal growth factor receptor in ductal proliferation (Cheifetz and others) (MMP) 193

Bilateral primary breast lymphoma in pregnancy: a case report and literature review (Kirkpatrick and others) (CR) 333

Biliary-tract diagnosis by magnetic resonance imaging (Bilbey and Schmidt) (SI) 268

Case 7. Presentation; Diagnosis (Garant and Stein) (RS) 10; 35

Case 8. Presentation; Diagnosis (Stein) (RS) 98; 120

Case 9. Presentation; Diagnosis (Hodge and others) (RS) 185; 204

Case 10. Presentation; Diagnosis (Garant) (RS) 267; 286

Case 11. Presentation; Diagnosis (Papadatos and Stein) (RS) 360; 416

Case 12. Presentation; Diagnosis (Tran and others) (RS) 450; 486

Colonic carcinoma presenting as an appendiceal abscess in a young woman (Ramsay and others) (CR) 53

Combined fine-needle aspiration, physical examination and mammography in the diagnosis of palpable breast masses: their relation to outcome for women with primary breast cancer (Steinberg and others) (OA) 302

Relation between clinical and mammographic diagnosis of breast problems and the cancer/biopsy rate (Sterns) (OA) 128

Synovial chondromatosis of the metacarpophalangeal joint: case report and review of the literature (Reed and Wright) (CR) 407

Thoracic outlet syndrome: Fact or fancy? A review of 409 consecutive patients who underwent operation (Jamieson and Chinnick) (OA) 321

Tuberculosis of the parotid gland (Sharma and others) (C) 253

Validity of visual inspection of diagnostic peritoneal lavage fluid (Gow and others) (OA) 114

Diagnostic errors

Role of the trauma-room chest x-ray film in assessing the patient with severe blunt traumatic injury (McLellan and others) (OA) 36

Trauma-room chest x-ray films (Waddell) (QS) 7

Diagnostic imaging

1995 Roussel Lecture. Management of adenocarcinoma of the head of the pancreas: 10 questions for the 1990s (Taylor) (SOSS) 271

Vascular Imaging for Surgeons. Edited by R.M. Greenhalgh (Common) (BR) 171

Diagnostic tests, routine

Validity of visual inspection of diagnostic peritoneal lavage fluid (Gow and others) (OA) 114

Diet, fat-restricted

Conservative management of chyloous ascites complicating aortic surgery: a case report (Petrasek and Ameli) (CR) 499

Disease models, animal

An animal model of benign bile-duct stricture, sclerosing cholangitis and cholangiocarcinoma and the role of epidermal growth factor receptor in ductal proliferation (Cheifetz and others) (MMP) 193

Experimental laparoscopic aortobifemoral bypass for occlusive aortoiliac disease (Dion and others) (CSVS) 451

Disposable equipment

Reuse of disposable laparoscopic instruments: cost analysis (DesCôteaux and others) (OA) 133

Dissection

Minimally invasive cardiac surgery for removal of the greater saphenous vein (Cusimano and others) (OA) 386

Diverticulitis, colonic

The influence of age on the severity of peritonitis (Watters and others) (OA) 142

Diverticulum

Iatrogenic perforation of perivaterian duodenal diverticulum: report of a case (Cavanagh) (CR) 336

Massive upper gastrointestinal bleeding originating from a fourth-stage duodenal diverticulum: a case report and review of the literature (Rioux and others) (CR) 510

Drug therapy

Bilateral primary breast lymphoma in pregnancy: a case report and literature review (Kirkpatrick and others) (CR) 333

Chemotherapy for desmoid tumours in association with familial adenomatous polyposis: a report of three cases (Hamilton and others) (CR) 247

1995 Roussel Lecture. Management of adenocarcinoma of the head of the pancreas: 10 questions for the 1990s (Taylor) (SOSS) 271

Traumatic rupture of hydatid cysts (Leviav and Weissberg) (OA) 293

Duodenal obstruction

Recurrent superior mesenteric artery (Wilkie's) syndrome: a case report (Raissi and others) (CR) 410

Duodenal perforation See Intestinal perforation

Duodenojejunostomy See Jejunostomy

Duodenostomy

Iatrogenic perforation of perivaterian duodenal diverticulum: report of a case (Cavanagh) (CR) 336

Duodenum

- Iatrogenic perforation of perivaterian duodenal diverticulum: report of a case (Cavanagh) (CR) 336
 - Massive upper gastrointestinal bleeding originating from a fourth-stage duodenal diverticulum: a case report and review of the literature (Rioux and others) (CR) 510
 - Recurrent superior mesenteric artery (Wilkie's) syndrome: a case report (Raissi and others) (CR) 410
- Duplex scanning** See **Ultrasonography, Doppler, duplex**
- Dysphagia lusoria** See **Deglutition disorders**

- E -

Echinococcosis, hepatic

- Endoscopic management of biliary hydatid disease (Akkiz and others) (OA) 287
- Traumatic rupture of hydatid cysts (Leviav and Weissberg) (OA) 293

Economics, medical

- Presidential address, 1995. Surgery 2000: a look back to the future (Heughan) (CAGS) 188

Education, medical

- Does evaluation of medical students produce any positive feedback? (Spaner) (SE) 417
- The efficacy of a computer-assisted preoperative tutorial for clinical clerks (Hong and others) (OA) 221

Educational measurement

- Does evaluation of medical students produce any positive feedback? (Spaner) (SE) 417

Embolism

- Intra-arterial fibrinolytic treatment for mesenteric arterial embolus: a case report (Kwauk and others) (CR) 163

Emergency medical services

- Fluid resuscitation of the trauma patient: How much is enough? (Hamilton and Breakey) (SP) 11
- Role of the trauma-room chest x-ray film in assessing the patient with severe blunt traumatic injury (McLellan and others) (OA) 36
- Trauma-room chest x-ray films (Waddell) (QS) 7

Enderectomy, carotid

- Combined endarterectomy of the internal carotid artery and persistent hypoglossal artery: an unusual case of carotid revascularization (Cartier and others) (CR) 159
- Indications for intensive care unit care after carotid endarterectomy (Passerini) (OA) 99
